

PRODUCT / SERVICE SHEET 14

ASSEMBLED STAIRWAY/WALKWAY

ATC manufactures and specializes in API walkway and stairway assemblies. These products ensure time efficient installation on multiple tank styles (bolted, welded or fiberglass). These bolted style applications meet OSHA safety standards and are economical in comparison to welded style. Let ATC provide safe access for your storage facilities. Standard or custom applications available.

1. Stairways
2. Walkways
3. Walkway landings
4. Firewall crossovers
5. Wellhead platforms
6. Safety cage ladders
7. Perimeter guardrail
8. Spiral stairways
